

I am done with my Photo Session! What do I do now?

Below is a brief outline of the steps involved before you have your multiples printed. For more information, check out our website or ask our expert front counter staff.

Online Proofsheets: View your entire photo shoot from the comfort of your home with our easy to use online proofing and ordering system. Share your online session with your friends, agents, managers.

Physical Proofsheets: A great way to have a permanent record of your entire photo session in either Color or B/W.

4X6 Work Prints: An economical way to decide which pictures you may want to print for your final headshots. These prints are best used to show you expression and focus. These can be printed in Color, B/W or Sepia.

8X10 Custom Prints: A state of the art print that is color corrected and cropped to your specifications. A choice of borders is available at no extra charge. Also in Color, BW or Sepia.

RETOUCHING: Once you have your custom print, we can retouch to your specifications. Our expert retouching looks natural and enhances your print. This also includes a new print of your retouched image.

SETUP: This is the final step before you are ready to order your multiples. It is at this stage we add your name, agency logo, etc. to your headshot. We show you a sample print so you can see exactly what your multiples will look like.

MULTIPLE HEADSHOT REPRODUCTIONS:

Once you have approved your set up, we can now print as many multiples as you like. Your multiples are printed on the highest quality photo paper with state of the art equipment.

REORDERS: Reordering is easy. Use our reorder form and get 20% off all reorders. All orders must be placed in writing by fax, email or in person.
